#### **Town of Summerville Coronavirus Disease 2019 (COVID-19) Update #20** *Town Council extends mask ordinance*

**SUMMERVILLE, S.C. (Thursday, November 12, 2020)** - Summerville Town Council has extended a [temporary ordinance](#) requiring the public to wear face coverings in certain circumstances in the town of Summerville through 11:59 p.m. Thursday, December 10, 2020. The vote was made at a regularly scheduled monthly council meeting on Thursday, November 12, in the best interest of public health and out of an abundance of caution in helping to reduce risk of exposure to the coronavirus disease 2019 (COVID-19).

- *All persons entering a grocery store, pharmacy, or Town owned or operated building in town must wear a face covering while inside the establishment or facility. For purposes of this ordinance, the term 'grocery store' shall mean a retail establishment that primarily sells food, but may also sell other convenience and household goods; the term does not include a convenience store. The business shall not have responsibility for enforcing this requirement, but shall post conspicuous signage at all entrances informing its patrons of the requirements of this section.*
- *All restaurants, retail stores, salons, barber shops, grocery stores, pharmacies, and Town buildings and indoor facilities in town must require their employees to wear a face covering at all times while having face to face interaction with the public or other employees.*

All public meetings have the ability to be held electronically through Thursday, December 10. The public can watch meetings by clicking the 'live meetings' link on the homepage of the Town's website.
